Club Profile

The Sandringham Amateur Athletic Club was formed at a meeting held on 8th April 1930. The first recorded event was an 880 yards handicap at the Beach Oval (now Sandringham Football Ground).

The club moved to its new and present home at Glamis Ave, Hampton in May 1960. 1960-1961 saw the completion of the clubrooms and the track officially opened in October 1962.

In the 2023/24 season 45% of the SAC membership was made up of women (including athletes and coaches). SAC provides great facilities for athletes to develop and train, along with a large coaching team who serve the club and broader sport of athletics.

Duty Levy & Roster Rules

The Sandringham Athletic Club have implemented a duty levy to all athlete memberships. This has come about due to the difficulties in the past of having people turn up for duties that we are allocated through Athletics Victoria.

Reimbursement of duty levy will take place as follows:

- Completion of duty allocated per athlete - this may be at Shield or Championships as allocated from Athletics Victoria with the person aged 16 and over.
- Correctly signing in with Sandringham Team Manager and/or Athletics Victoria prior to commencing duty.
- At the completion of duty, complete the bank account details for levy reimbursement to be paid.

Should an athlete (family member) not be available/report in for allocated duty you will forego your duty levy. The duty will be offered to others and the levy will be paid to the person completing the duty, with that person having to complete the following to receive the levy:

- Sign in with **both** Sandringham Team Manager and/or Athletics Victoria prior to commencing duty.
- If the person completing the duty is an athlete and the duty is at Shield, we would prefer them to compete in a minimum of 1 event on the day.
- If the person completing the duty is a parent of an athlete and the duty is at Shield, the child (athlete) we would prefer the athlete to compete in a minimum of 1 event on the day.
- At the completion of duty, complete the bank account details for levy reimbursement to be paid.

For extenuating circumstances where you are unable to do duty and provide a minimum of 5 days' notice, an athlete/family member can apply to the SAC committee for reimbursement of duty levy by 15 March. These will be assessed on an individual basis.

Should you not be allocated a duty by the end of the season (both Cross Country and/or Summer Season), a request for refund of duty levy is to be submitted to the SAC Committee by 15 March.

If a request for refund is not sent by 15 March each year you will forego your bond.

Age groups for Championship and any other competition will be taken based upon age of athlete as at 31 December that year (athlete may be U16 for shield but must move up to U17 for championships).

Please refer to the [AV website](#) for details.

Club Records

We try to pick up all club records but we ask, if you believe you have broken a club record during the season please email our team manager at ktanojevic@optusnet.com.au with the heading 'club record'.
